

13th FFC-NMR CONGRESS AWARDS

The Scientific and the Organizing Committees are proud to inform of the availability of two Congress Awards for under-35 young scientists:

- Best **Oral** Presentation Prize
- Best **Poster** Presentation Prize

Winners will be awarded with a certificate, a hard copy of the Book "The Environment in a Magnet: Applications of NMR Techniques to Environmental problems" (2024, RSC) and a **100£ voucher** for purchasing RSC books.

ACKNOWLEDGMENTS

We deeply thank the **Royal Society of Chemistry** for their generous contribution of books and prizes given as gifts to the young scientists for the Best Oral Presentation and the Best Poster Presentation.

We express the same heartfelt gratitude to the **Rete Ovinicoltori Siciliani**, whose generosity helped make this conference possible.
